**Rifle Squad** performed the honors for Robert Mather's funeral which was at King. The Rifle Squad has a funeral schedule for Friday Dec 9, 2016 at King.

**Car Show** a meeting was held and some areas of interest came up as they want to eliminate the road that the tractors drove on. Changes in some of the parking areas and they might build us a new car corral office.

**Veterans in the classroom** was another great success and Morey wants to thanks all who participated in the class for their time.

**Food stands at the Packer games** have been going good and we only have two games left. So far we have had enough people to work the stands and even been farmed out to other stands to help out. Mary Kay received a parking ticket at the last event along with another incident that later developed as she received her ticket from her windshield. Long story short, the Post decided to pay her ticket. Motion was made by Tony Turner and seconded by Bill Cook.

**Furnace repair** has been completed as a computer chip was bad.

Being no further business, the Commander and the Chaplain led us in the closing ceremonies.
